

LENTEN RACK PACK

40 RACKs to share
God's love
this Easter

The challenge isn't to do each of these things. Rather, here are 40 ideas for reference. We are encouraging you to make the most of this season for Christ. And when possible, do so by sacrifice.

Each RACK should be accompanied with a RACK card, note, or words communicating God's love. A simple "God loves you" will do.
